PART I

Item 1. Business.

GENERAL

Portsmouth Square, Inc. (referred to as “Portsmouth” or the “Company” and may also be referred to as “we” “us” or “our”) is a California corporation, incorporated on July 6, 1967, for the purpose of acquiring a hotel property in San Francisco, California through a California limited partnership, Justice Investors (“Justice” or the “Partnership”). As of June 30, 2013, approximately 68.8% of the outstanding common stock of Portsmouth was owned by Santa Fe Financial Corporation (“Santa Fe”), a public company (OTCBB: SFEF). Santa Fe is a 80.5%-owned subsidiary of The InterGroup Corporation (“InterGroup”), a public company (NASDAQ: INTG). InterGroup also directly owns approximately 12.9% of the common stock of Portsmouth.

The Company's principal business is conducted through its general and limited partnership interest in the Justice Investors limited partnership (“Justice” or the “Partnership”). The Company has a 50.0% limited partnership interest in Justice and serves as the Managing General Partner. The other general partner is Evon Corporation (“Evon”). Justice owns a 543 room hotel property located at 750 Kearny Street, San Francisco, California 94108, known as the “Hilton San Francisco Financial District” (the “Hotel”) and related facilities, including a five level underground parking garage. The financial statements of Justice are consolidated with those of the Company. See Note 2 to the consolidated financial statements.

Most significant partnership decisions require the active participation and approval of both general partners. Pursuant to the terms of the partnership agreement, voting rights of the partners are determined according to the partners’ entitlement to share in the net profit and loss of the partnership. The Company is not entitled to any additional voting rights by virtue of its position as a general partner. The partnership agreement provides that no portion of the partnership real property can be sold without the written consent of the general partners and the limited partners entitled to more than 72% of the net profit. The partnership agreement also provides that amendments to the agreement may be made only upon the consent of the general partners and at least seventy 75% of the interests of the limited partners and the consent of at least 75% of the interests of the limited partners will also be required to remove a general partner. As of June 30, 2013, there were 113 limited partners in Justice, including Portsmouth and Evon.

The Hotel is operated by the Partnership as a full service Hilton brand hotel pursuant to a Franchise License Agreement with Hilton Hotels Corporation. The term of the Agreement is for a period of 15 years commencing on January 12, 2006, with an option to extend the license term for another five years, subject to certain conditions. Justice also has a Management Agreement with Prism Hospitality L.P. (“Prism”) to perform the day-to-day management functions of the Hotel.

The parking garage that is part of the Hotel property is managed by Ace Parking Management, Inc. pursuant to a contract with the Partnership. Justice also leases a portion of the lobby level of the Hotel to a day spa operator. Portsmouth also receives management fees as a general partner of Justice for its services in overseeing and managing the Partnership’s assets. Those fees are eliminated in consolidation.

The Company also derives income from the investment of its cash and investment securities assets. The Company has invested in income-producing instruments, equity and debt securities and will consider other investments if such investments offer growth or profit potential. See Item 7. Management’s Discussion and Analysis of Financial Condition and Results of Operations for a discussion of the Company’s marketable securities and other investments.

RECENT BUSINESS DEVELOPMENTS

Limited Partnership Redemption Proposal

By letter dated June 12, 2013, Portsmouth advised the limited partners of Justice that it would not be extending its March 29, 2013 Redemption proposal, but would instead be working together with Evon, the co-general partner, towards a redemption transaction that both general partners could support. The Company has been engaged in discussions with representatives of Evon concerning possible transactions whereby partners in Justice, other than Portsmouth, would be afforded the opportunity to have their holdings in Justice redeemed by Justice through a proposed refinancing of the Hotel. These discussions are continuing. While Portsmouth is hopeful that the discussions will result in a transaction that, on consummation, would result in Portsmouth significantly increasing its proportionate ownership of Justice on terms acceptable to Portsmouth and its becoming the sole general partner of Justice, no assurance can be given that such a transaction will be accomplished.

Amendments to Justice Investors Limited Partnership Agreement

On December 1, 2008, Portsmouth and Evon, as the two general partners of Justice, entered into a 2008 Amendment to the Limited Partnership Agreement (the "Amendment") that provides for a change in the respective roles of the general partners. Pursuant to the Amendment, Portsmouth assumed the role of Managing General Partner and Evon continued on as the Co-General Partner of Justice. The Amendment was ratified by approximately 98% of the limited partnership interests. The Amendment also provides that future amendments to the Limited Partnership Agreement may be made only upon the consent of the general partners and at least seventy five percent (75%) of the interests of the limited partners. Consent of at least 75% of the interests of the limited partners will also be required to remove a general partner pursuant to the Amendment.

Effective November 30, 2010, the general and limited partners of Justice Investors entered into an Amended and Restated Agreement of Limited Partnership, which was approved and ratified by more than 98% of the limited partnership interests of Justice. The Partnership Agreement was amended and restated in its entirety to comply with the new provisions of the California Corporations Code known as the "Uniform Limited Partnership Act of 2008". The amendment did not result in any material modifications of the rights or obligations of the general and limited partners.

New General Partner Compensation Agreement

Concurrent with the December 2008 Amendment to the Limited Partnership Agreement, a new General Partner Compensation Agreement (the "Compensation Agreement") was entered into on December 1, 2008, among Justice, Portsmouth and Evon to terminate and supersede all prior compensation agreement for the general partners. Pursuant to the Compensation Agreement, the general partners of Justice are entitled to receive an amount equal to 1.5% of the gross annual revenues of the Partnership (as defined), less \$75,000 to be used as a contribution toward the cost of Justice engaging an asset manager. In no event shall the annual compensation be less than a minimum base of approximately \$285,000, with eighty percent (80%) of that amount being allocated to Portsmouth for its services as managing general partner and twenty percent (20%) allocated to Evon as the co-general partner. Compensation earned by the general partners in each calendar year in excess of the minimum base, will be payable in equal fifty percent (50%) shares to Portsmouth and Evon. During the years ended June 30, 2013 and 2012, the general partners were paid approximately \$620,000 and \$562,000 respectively, under the applicable compensation agreements. Of those amounts, approximately \$401,000 and \$366,000 was paid to Portsmouth for fiscal 2013 and 2012.

HILTON HOTELS FRANCHISE LICENSE AGREEMENT

On December 10, 2004, the Partnership entered into a Franchise License Agreement with Hilton Hotels Corporation (the "Franchise Agreement") for the right to operate the Hotel as a Hilton brand hotel. The term of the Franchise Agreement is for 15 years commencing on the opening date of the Hotel, January 12, 2006, with an option to extend that Agreement for another five years, subject to certain conditions.

Pursuant to the Franchise Agreement, the Partnership paid monthly royalty fees for the first two years of three percent (3%) of the Hotel's gross room revenue, as defined, for the preceding calendar month; the third year was at four

percent (4%) of the Hotel's gross room revenue; and the fourth year until the end of the term will be five percent (5%) of the Hotel's gross room revenue. Justice also pays a monthly program fee of four percent (4%) of the Hotel's gross room revenue. The amount of the monthly program fee is subject to change; however, the increase cannot exceed one percent (1%) of the Hotel gross room revenue in any calendar year, and the cumulative increases in the monthly fees will not exceed five percent (5%) of gross room revenue. The Partnership also pays a monthly information technology recapture charge of 0.75% of the Hotel's gross revenue.

Prior to operating the Hotel as a Hilton hotel, the Partnership was required to make substantial renovations to the Hotel to meet Hilton standards in accordance with a product improvement plan ("PIP") agreed upon by Hilton and the Partnership, as well as comply with other brand standards. That project included a complete renovation and upgrade of all of the Hotel's guestrooms, meeting rooms, common areas and restaurant and bar. As of January 12, 2006, the Hotel renovation work was substantially completed, at which time Justice obtained approval from Hilton to open the Hotel as the "Hilton San Francisco Financial District". The Hotel opened with a limited number of rooms available to rent, which increased as the Hotel transitioned into full operations by the end of February 2006.

The total cost of the construction-renovation project of the Hotel was approximately \$37,030,000, which includes approximately \$630,000 in interest costs incurred during the construction phase that were capitalized. To meet those substantial financial commitments, and the costs of operations during the renovation period and for the first five months when the Hotel ramped up its operations, the Partnership has relied on additional borrowings to meet its obligations. As discussed in Item 2. Properties, the Partnership was able to secure adequate financing, collateralized by the Hotel, to meet those commitments.

HOTEL MANAGEMENT COMPANY AGREEMENT

In February 2007, the Partnership terminated its prior hotel management agreement with Dow Hotel Company and entered into a management agreement with Prism Hospitality ("Prism") to manage and operate the Hotel as its agent, effective February 10, 2007. Prism is an experienced Hilton approved operator of upscale and luxury hotels throughout the Americas. The agreement is effective for a term of ten years, unless the agreement is extended as provided in the agreement, and the Partnership has the right to terminate the agreement upon ninety days written notice without further obligation. Under the management agreement, the Partnership is to pay base management fees of 2.5% of gross operating revenues for the fiscal year. However, 0.75% of the stated management fee is due only if the partially adjusted net operating income for the subject fiscal year exceeds the amount of a minimum Partnership return (\$7 million) for that fiscal year. Prism is also entitled to an incentive management fee if certain milestones are accomplished. No incentive fees were earned during the fiscal years ended June 30, 2013 and 2012. Management fees paid to Prism during the years ended June 30, 2013 and 2012 were \$754,000 and \$626,000, respectively.

GARAGE OPERATIONS

The parking garage is operated by Ace Parking Management, Inc. ("Ace Parking") pursuant to a Parking Facilities Management Agreement (the "Parking Agreement") with Justice. The initial term of the Parking Agreement was to expire on October 31, 2010, with an option to renew for another five-year term. Pursuant to that agreement, the Partnership paid Ace Parking a management fee of \$2,000 per month, an accounting fee equal to \$250 per month, plus "Excess Profit Fee" equal to three percent (3%) of annual net profits in excess of \$150,000.

On October 31, 2010, Justice and Ace Parking entered into an amendment of the Parking Agreement to extend the term for a period of sixty two (62) months, commencing on November 1, 2010 and terminating December 31, 2015, subject to either party's right to terminate the agreement without cause on ninety (90) days written notice. The monthly management fee of \$2,000 and the accounting fee of \$250 remain the same, but the amendment modified how the Excess Profit Fee to be paid to Ace would be calculated. The amendment provides that, if net operating income ("NOI") from the garage operations exceeds \$1,800,000 but is less than \$2,000,000, Ace will be entitled to an Excess Profit Fee of one percent (1%) of the total annual NOI. If the annual NOI is \$2,000,000 or higher, Ace will be entitled to an Excess Profit Fee equal to two percent (2%) of the total annual NOI.

TRU SPA LEASE

Approximately 5,400 square feet of space on the lobby level of the Hotel is leased to Tru Spa for the operation of a health and beauty spa. The lease was scheduled to expire in May 2013, with a five year option to extend the term.

The spa lease provides for minimum monthly rent of \$14,000. Minimum rental amounts are subject to adjustment every three years based on increases in the Consumer Price Index. In April 2013, the Partnership and Tru Spa entered into a short term extension of the spa lease for a base rent of \$5,900 per month from April 1, 2013 to December 31, 2013.

CHINESE CULTURE FOUNDATION LEASE

On March 15, 2005, the Partnership entered into an amended lease with the Chinese Culture Foundation of San Francisco (the “Foundation”) for the third floor space of the Hotel commonly known as the Chinese Cultural Center, which the Foundation had right to occupy pursuant to a 50-year nominal rent lease.

The amended lease requires the Partnership to pay to the Foundation a monthly event space fee in the amount of \$5,000, adjusted annually based on the local Consumer Price Index. The term of the amended lease expires on October 17, 2023, with an automatic extension for another 10 year term if the property continues to be operated as a hotel. This amendment allowed Justice to incorporate the third floor into the renovation of the Hotel resulting in a new ballroom for the joint use of the Hotel and new offices and a gallery for the Chinese Culture Center.

Seasonality

Hotel’s operations historically have been seasonal. Like most hotels in the San Francisco area, the Hotel generally maintains higher occupancy and room rates during the first and second quarters of its fiscal year (July 1 through December 31) than it does in the third and fourth quarters (January 1 through June 30). These seasonal patterns can be expected to cause fluctuations in the quarterly revenues from the Hotel.

Competition

The hotel industry is highly competitive. Competition is based on a number of factors, most notably convenience of location, brand affiliation, price, range of services and guest amenities or accommodations offered and quality of customer service. Competition is often specific to the individual market in which properties are located.

The Hotel is located in an area of intense competition from other hotels in the Financial District and San Francisco in general. The Hotel is somewhat limited by having only 15,000 square feet of meeting room space. Other hotels, with greater meeting room space, may have a competitive advantage by being able to attract larger groups and small conventions. Increased competition from new hotels, or hotels that have been recently undergone substantial renovation, could have an adverse effect on occupancy, average daily rate (“ADR”) and room revenue per available room (“RevPar”) and put pressure on the Partnership to make additional capital improvements to the Hotel to keep pace with the competition.

The Hotel’s target market is business travelers, leisure customers and tourists, and small to medium size groups. Since the Hotel operates in an upper scale segment of the market, we also face increased competition from providers of less expensive accommodations, such as limited service hotels, during periods of economic downturn when leisure and business travelers become more sensitive to room rates. Like other hotels, we have experienced some decrease in some higher rated corporate and business travel as many companies have cut their travel and entertainment budgets in response to economic conditions. As a result, there could be added pressure on all hotels in the San Francisco market to lower room rates in an effort to maintain occupancy levels during such periods.

Our highest priority remains guest satisfaction. We believe that enhancing the guest experience differentiates the Hotel from our competition by building the most sustainable guest loyalty. During fiscal 2013, we completed a significant, “green” project that retrofits all of our guest room windows with new “double-pane” inserts that result in greater energy savings and better sound attenuation for our guests. We have also upgraded our common areas of the Hotel and improved our restaurant facilities, food and beverage services and now provide advanced technological amenities throughout our lobby. Our guest responses to these improvements have been very positive. The Hotel also remains a leader in implementing Hilton’s Huanying (“Welcome”) program that features a tailored experience for Chinese travelers. We continue taking steps that further develop our ties with the local Chinese community and the city of San Francisco, representing good corporate citizenship and promoting important, new business opportunities.

Moving forward, we will continue to focus on cultivating more international business, especially from China, and capturing a greater percentage of the higher rated business, leisure and group travel. We will also continue in our efforts to upgrade our guest rooms and facilities and explore new and innovative ways to differentiate the Hotel from its competition, as well as focusing on returning our food and beverage operations to profitability. During the last twelve months, we have seen steady improvement in business and leisure travel. If that trend in the San Francisco market and the hotel industry continues, it should translate into an increase in room revenues and profitability. However, like all hotels, it will remain subject to the uncertain domestic and global economic environment and other risk factors beyond our control, such as the effect of natural disasters.

The Hotel is also subject to certain operating risks common to all of the hotel industry, which could adversely impact performance. These risks include:

- Competition for guests and meetings from other hotels including competition and pricing pressure from internet wholesalers and distributors;
- increases in operating costs, including wages, benefits, insurance, property taxes and energy, due to inflation and other factors, which may not be offset in the future by increased room rates;
- labor strikes, disruptions or lock outs;
- dependence on demand from business and leisure travelers, which may fluctuate and is seasonal;
- increases in energy costs, cost of fuel, airline fares and other expenses related to travel, which may negatively affect traveling;
- terrorism, terrorism alerts and warnings, wars and other military actions, pandemics or other medical events or warnings which may result in decreases in business and leisure travel;
- natural disasters; and
- adverse effects of downturns and recessionary conditions in international, national and/or local economies and market conditions.

Environmental Matters

In connection with the ownership of the Hotel, the Company is subject to various federal, state and local laws, ordinances and regulations relating to environmental protection. Under these laws, a current or previous owner or operator of real estate may be liable for the costs of removal or remediation of certain hazardous or toxic substances on, under or in such property. Such laws often impose liability without regard to whether the owner or operator knew of, or was responsible for, the presence of hazardous or toxic substances.

Environmental consultants retained by the Partnership or its lenders conducted updated Phase I environmental site assessments in fiscal year ended June 30, 2008 on the Hotel property. These Phase I assessments relied, in part, on Phase I environmental assessments prepared in connection with the Partnership's first mortgage loan obtained in July 2005. Phase I assessments are designed to evaluate the potential for environmental contamination on properties based generally upon site inspections, facility personnel interviews, historical information and certain publicly-available databases; however, Phase I assessments will not necessarily reveal the existence or extent of all environmental conditions, liabilities or compliance concerns at the properties.

Although the Phase I assessments and other environmental reports we have reviewed disclose certain conditions on our properties and the use of hazardous substances in operation and maintenance activities that could pose a risk of environmental contamination or liability, we are not aware of any environmental liability that we believe would have a material adverse effect on our business, financial position, results of operations or cash flows.

The Company believes that the Hotel is in compliance, in all material respects, with all federal, state and local environmental ordinances and regulations regarding hazardous or toxic substances and other environmental matters, the violation of which could have a material adverse effect on the Company. The Company has not received written notice from any governmental authority of any material noncompliance, liability or claim relating to hazardous or toxic substances or other environmental matters in connection with any of its present properties.

EMPLOYEES

As of June 30, 2013, Portsmouth had three full-time employees. The employees of the Company are not part of any collective bargaining agreement, and the Company believes that its employee relations are satisfactory.

Employees of Justice and management of the Hotel are not unionized and the Company believes that their relationships with the Hotel are satisfactory and consistent with the market in San Francisco.

As of June 30, 2013, the Partnership had approximately 244 employees. Approximately 80% of those employees were represented by one of three labor unions, and their terms of employment were determined under a collective bargaining agreement (CBA) to which the Partnership was a party. During the year ended June 30, 2013, the Partnership continued under an existing CBA for the Local 2 (Hotel and Restaurant Employees). As of June 30, 2013, the CBA for Local 856 (International Brotherhood of Teamsters) has expired and is currently under renegotiation. Negotiation of collective bargaining agreements, which includes not just terms and conditions of employment but scope and coverage of employees, is a regular and expected course of business operations for the Partnership.

The Partnership expects and anticipates that the terms of conditions of CBAs will have an impact on wage and benefit costs, operating expenses, and certain hotel operations during the life of the each CBA, and incorporates these principles into its operating and budgetary practices.

SAN FRANCISCO HOTEL PROPERTY

The Hotel is owned directly by the Partnership. The Hotel is centrally located near the Financial District in San Francisco, one block from the Transamerica Pyramid. The Embarcadero Center is within walking distance and North Beach is two blocks away. Chinatown is directly across the bridge that runs from the Hotel to Portsmouth Square Park. The Hotel is a 31-story (including parking garage), steel and concrete, A-frame building, built in 1970. The Hotel has 543 well-appointed guest rooms and luxury suites situated on 22 floors as well as a 5,400 square foot Tru Spa health and beauty spa on the lobby level. The third floor houses the Chinese Culture Center and grand ballroom. The Hotel has approximately 15,000 square feet of meeting room space, including the grand ballroom. Other features of the Hotel include a 5-level underground parking garage and pedestrian bridge across Kearny Street connecting the Hotel and the Chinese Culture Center with Portsmouth Square Park in Chinatown. The bridge, built and owned by the Partnership, is included in the lease to the Chinese Culture Center.

Since the Hotel recently completed renovations, there is no present program for any further major renovations; however, the Partnership expects to expend at least 4% of gross annual Hotel revenues each year for capital improvements and requirements. In the opinion of management, the Hotel is adequately covered by insurance.

HOTEL FINANCINGS

On July 27, 2005, Justice entered into a first mortgage loan with The Prudential Insurance Company of America in a principal amount of \$30,000,000 (the "Prudential Loan"). The term of the Prudential Loan is for 120 months at a fixed interest rate of 5.22% per annum. The Prudential Loan calls for monthly installments of principal and interest in the amount of approximately \$165,000, calculated on a 30-year amortization schedule. The Loan is collateralized by a first deed of trust on the Partnership's Hotel property, including all improvements and personal property thereon and an assignment of all present and future leases and rents. The Prudential Loan is without recourse to the limited and general partners of Justice. The principal balance of the Prudential Loan was \$26,043,000 as of June 30, 2013.

On March 27, 2007, Justice entered into a second mortgage loan with Prudential (the "Second Prudential Loan") in a principal amount of \$19,000,000. The term of the Second Prudential Loan is for approximately 100 months and matures on August 5, 2015, the same date as the first Prudential Loan. The Second Prudential Loan is at a fixed interest rate of 6.42% per annum and calls for monthly installments of principal and interest in the amount of approximately \$119,000, calculated on a 30-year amortization schedule. The Second Prudential Loan is collateralized by a second deed of trust on the Partnership's Hotel property, including all improvements and personal property thereon and an assignment of all present and future leases and rents. The Second Prudential Loan is also without recourse to the limited and general partners of Justice. The principal balance of the Second Prudential Loan was \$17,370,000 as of June 30, 2013.

The Partnership had a \$2,500,000 unsecured revolving line of credit facility with a bank that was to mature on April 30, 2010. Effective April 29, 2010, the Partnership obtained a modification from the bank which converted its revolving line of credit facility to a term loan. The Partnership also obtained a waiver of any prior noncompliance with financial covenants. The modification provides that Justice will pay the \$2,500,000 balance on its line of credit facility over a period of four years, to mature on April 30, 2014. This term loan calls for monthly principal and interest payments of \$41,000, calculated on a six-year amortization schedule, with interest only from May 1, 2010 to August 31, 2010. Pursuant to the modification, the annual floating interest rate was reduced by 0.5% to the WSJ Prime Rate plus 2.5% (with a minimum floor rate of 5.0% per annum). The modification provides for new financial covenants that include specific financial ratios and a return to minimum profitability after June 30, 2011. Management believes that the Partnership has the ability to meet the specific covenants and the Partnership was in compliance with the covenants as of June 30, 2013 and 2012. The Partnership paid a loan modification fee of \$10,000. The loan continues as unsecured. As of June 30, 2013 and 2012, the interest rate was 5.75% and the outstanding balances were \$1,167,000 and \$1,702,000, respectively.

LAND HELD FOR DEVELOPMENT

On August 29, 2007, the Board of Directors authorized an investment of \$973,000 for Portsmouth to acquire a 50% equity interest in InterGroup Uluniu, Inc., a Hawaii corporation (“Uluniu”) in a related party transaction. Uluniu was a 100% owned subsidiary of The InterGroup Corporation (“InterGroup”). Uluniu owns an approximately two-acre parcel of unimproved land located in Kihei, Maui, Hawaii which is held for development. The Company’s investment in Uluniu represents an amount equal to the costs paid by InterGroup for the acquisition and carrying costs of the property through August 2007. The fairness of the financial terms of the transaction were reviewed and approved by the independent director of the Company.

Uluniu intends to obtain the entitlements and permits necessary for the joint development of the parcel with an adjoining landowner into residential units. After the completion of this predevelopment phase, the Uluniu will determine whether it more advantageous to sell the entitled property or to commence with construction. Due to current economic conditions, the project is on hold.

It is expected that the Company will not consider a return to a regular dividend policy until such time that Partnership cash flows, distributions and other economic factors warrant such consideration. Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations.

RESULTS OF OPERATIONS

The Company's principal business is conducted through its general and limited partnership interest in the Justice Investors limited partnership ("Justice" or the "Partnership"). The Company has a 50.0% limited partnership interest in Justice and serves as the Managing General partner of Justice. Evon Corporation ("Evon") serves as the other general partner. Justice owns a 543 room hotel property located at 750 Kearny Street, San Francisco, California 94108, known as the "Hilton San Francisco Financial District" (the "Hotel") and related facilities, including a five-level underground parking garage. The financial statements of Justice have been consolidated with those of the Company. See Note 2 to the Consolidated Financial Statements.

The Hotel is operated by the Partnership as a full service Hilton brand hotel pursuant to a Franchise License Agreement with Hilton Hotels Corporation. The term of the Agreement is for a period of 15 years commencing on January 12, 2006, with an option to extend the license term for another five years, subject to certain conditions. Justice also has a Management Agreement with Prism Hospitality L.P. ("Prism") to perform the day-to-day management functions of the Hotel.

The parking garage that is part of the Hotel property is managed by Ace Parking pursuant to a contract with the Partnership. Justice also leases a portion of the lobby level of the Hotel to a day spa operator. Portsmouth also receives management fees as a general partner of Justice for its services in overseeing and managing the Partnership's assets. Those fees are eliminated in consolidation.

Fiscal Year Ended June 30, 2013 Compared to Fiscal Year Ended June 30, 2012

The Company had net income of \$1,820,000 for the year ended June 30, 2013 compared to net income of \$2,102,000 for the year ended June 30, 2012. The decrease in net income is primarily attributable to the decrease in income from hotel operations partially offset by the decrease in losses from investing activities.

The Company had net income from hotel operations of \$3,061,000 for the fiscal year ended June 30, 2013, compared to net income of \$4,110,000 for the fiscal year ended June 30, 2012. The decrease in net income is attributable to a significant increase in operating expenses in the current period and a decrease in other revenues, partially offset by an increase in room, food and beverage and garage revenues room compared to the prior year.

The following table sets forth a more detailed presentation of Hotel operations for the years ended June 30, 2013 and 2012.

<u>For the years ended June 30,</u>	<u>2013</u>	<u>2012</u>
Hotel revenues:		
Hotel rooms	\$ 36,378,000	\$ 32,893,000
Food and beverage	6,617,000	5,779,000
Garage	2,786,000	2,765,000
Other operating departments	784,000	1,025,000
Total hotel revenues	<u>46,565,000</u>	<u>42,462,000</u>
Operating expenses excluding interest, depreciation and amortization	<u>(38,635,000)</u>	<u>(33,465,000)</u>
Operating income before interest, depreciation and amortization	7,930,000	8,997,000
Interest	(2,612,000)	(2,724,000)
Depreciation and amortization	<u>(2,257,000)</u>	<u>(2,163,000)</u>
Income from hotel operations	<u><u>\$ 3,061,000</u></u>	<u><u>\$ 4,110,000</u></u>

For the fiscal year ended June 30, 2013, the Hotel generated operating income of \$7,930,000 before interest, depreciation and amortization, on total operating revenues of \$46,565,000 compared to operating income of \$8,997,000 before interest, depreciation and amortization, on total operating revenues of \$42,462,000 for the fiscal year ended June 30, 2012. Room revenues increased by \$3,485,000 for the fiscal year ended June 30, 2013 compared to the year ended June 30, 2012, food and beverage revenues increased by \$838,000 and garage revenues increased by \$21,000, while other revenues decreased by \$241,000 for the same period. Despite the increase in total hotel revenues, operating income was negatively impacted by a significant increase of \$5,170,000 in operating expenses during the current year due to several factors.

Major factors for the increase in operating expenses were an increase in contractual union wages and benefits in all operating departments, a reserve established for other wage costs, higher group insurance costs and higher commissions on certain group and city-wide convention business in the current year. There was also an operating loss of approximately \$1,102,000 in the Hotel's food and beverage operations for the fiscal year ended June 30, 2013 compared to a loss of \$379,000 for fiscal year ended June 30, 2012. That loss was primarily attributable to higher labor costs and increased staffing for new food operations as part of a plan to capture anticipated business from the newly constructed City College of San Francisco campus next to the Hotel. That business did not materialize as City College opened with an enrollment of only 20% of its expected capacity of 5,000 to 7,000 students per day during the week. In addition, Hurricane Sandy resulted in cancellations of higher rated corporate and group business in October and November 2012 that was replaced by lower rated crew and transient business that did not utilize the Hotel's food and beverage outlets or banquet and catering services. In the prior fiscal year, the Hotel also recorded a credit for property taxes in the amount of \$270,000 for an over accrual of taxes related to the reassessment of the improvements of the Hotel that was less than anticipated. Franchise and management fees, which are based on a percentage of revenues, also increased as well as costs for certain promotions for Hilton Honors members during the current period.

The following table sets forth the average daily room rate, average occupancy percentage and room revenue per available room ("RevPar") of the Hotel for the fiscal years ended June 30, 2013 and 2012.

<u>Fiscal Year</u> <u>ended June 30,</u>	<u>Average</u> <u>Daily Rate</u>	<u>Average</u> <u>Occupancy %</u>	<u>RevPar</u>
2013	\$205	90%	\$184
2012	\$191	87%	\$166

The operating results of the Hotel's rooms department remained strong as the San Francisco market continued to show signs of recovery. The Hotel's average daily rate average increased significantly by \$14 for the fiscal year ended June 30, 2013 compared to the fiscal year ended June 30, 2012. The increase in occupancy of 3% was due to continued increased demand for hotel rooms in San Francisco and the Hotel's ability to capture a greater share of those rooms within its market set. Due to that increased demand, the Hotel was also able to reduce the amount of discounted Internet business that it was forced to take in prior years to maintain occupancy in a very competitive market and recessionary economic conditions. As a result, the Hotel was able to achieve a RevPar number that was \$18 higher than fiscal 2012. Those results made it possible for Justice Investors to declare a limited partnership distribution in December 2012 in the total amount of \$1,200,000, of which Portsmouth received \$600,000. In December 2011, Justice declared a limited partnership distribution in the aggregate amount of \$1,000,000, of which Portsmouth received \$500,000. The general partners of Justice will continue to monitor and review the operations and financial results of the Hotel and to set the amount of any future distributions that may be appropriate based on operating results, cash flows and other factors, including establishment of reasonable reserves for debt payments and operating contingencies.

Our highest priority remains guest satisfaction. We believe that enhancing the guest experience differentiates the Hotel from our competition by building the most sustainable guest loyalty. During fiscal 2013, we completed a significant, "green" project that retrofits all of our guest room windows with new "double-pane" inserts that result in greater energy savings and better sound attenuation for our guests. We have also upgraded our common areas of the Hotel and improved our restaurant facilities, food and beverage services and now provide advanced technological amenities throughout our lobby. Our guest responses to these improvements have been very positive. The Hotel also remains a leader in implementing Hilton's Huanying ("Welcome") program that features a tailored experience for Chinese travelers. We continue taking steps that further develop our ties with the local Chinese community and the city of San Francisco, representing good corporate citizenship and promoting important, new business opportunities.

Moving forward, we will continue to focus on cultivating more international business, especially from China, and capturing a greater percentage of the higher rated business, leisure and group travel. We will also continue in our efforts to upgrade our guest rooms and facilities and explore new and innovative ways to differentiate the Hotel from its competition, as well as focusing on returning our food and beverage operations to profitability. During the last twelve months, we have seen steady improvement in business and leisure travel. If that trend in the San Francisco market and the hotel industry continues, it should translate into an increase in room revenues and profitability. However, like all hotels, it will remain subject to the uncertain domestic and global economic environment and other risk factors beyond our control, such as the effect of natural disasters.

The Company had a net loss on marketable securities of \$507,000 for the year ended June 30, 2013 compared to a net loss on marketable securities of \$1,045,000 for the year ended June 30, 2012. For the year ended June 30, 2013, the Company had a net realized loss of \$51,000 and a net unrealized loss of \$456,000. For the year ended June 30, 2012, the Company had a net realized loss of \$247,000 and a net unrealized loss of \$798,000. Gains and losses on marketable securities and other investments may fluctuate significantly from period to period in the future and could have a significant impact on the Company's net income. However, the amount of gain or loss on marketable securities and other investments for any given period may have no predictive value and variations in amount from period to period may have no analytical value. For a more detailed description of the composition of the Company's marketable securities please see the Marketable Securities section below.

During the years ended June 30, 2013 and 2012, the Company performed an impairment analysis of its other investments and determined that one of its investments had other than temporary impairment and recorded impairment losses of \$35,000 and \$335,000, for each respective period.

The Company consolidates Justice (Hotel) for financial reporting purposes and is not taxed on its 50% non-controlling interest in the Hotel. The income tax (expense) benefit during the year ended June 30, 2013 and 2012 represents the income tax effect on the Company's pretax income which include its share in net income of the Hotel (i.e., 50%).

The largest security represents 41.7% of the portfolio and consists of the common stock of Comstock Mining, Inc. ("Comstock" - NYSE MKT: LODE) which is included in the basic materials industry group. The amount of the Company's investment in any particular issuer may increase or decrease, and additions or deletions to its securities portfolio may occur, at any time. While it is the internal policy of the Company to limit its initial investment in any single equity to less than 10% of its total portfolio value, that investment could eventually exceed 10% as a result of equity appreciation or reduction of other positions. A significant percentage of the portfolio consists of common stock in Comstock that was obtained through dividend payments by Comstock on its 7.5% Series A-1 Convertible Preferred Stock. Marketable securities are stated at fair value as determined by the most recently traded price of each security at the balance sheet date.

The Company also holds a \$4,410,000 investment in Comstock Series A-1 Convertible Preferred Stock which is carried at cost and included in Other investments, net.

LIQUIDITY AND SOURCES OF CAPITAL

The Company's cash flows are primarily generated from its Hotel operations, and general partner management fees and limited partnership distributions from Justice Investors. The Company also receives cash generated from the investment of its cash and marketable securities and other investments.

Due to the significant downturn in the San Francisco hotel market beginning in September 2008 and the continued weakness in domestic and international economies, no Partnership distributions were paid in fiscal 2011 and 2010. During such periods, the Company had to depend more on the revenues generated from the investment of its cash and marketable securities and from its general partner management fees. Since we have seen improvement in the operations of the Hotel, and the San Francisco market in general, Justice was in a position to pay a limited partnership distribution in December 2012 in an aggregate amount of \$1,200,000, of which Portsmouth received \$600,000. In December 2011, Justice paid a limited partnership distribution in an aggregate amount of \$1,000,000, of which Portsmouth received \$500,000. The general partners of Justice will continue to monitor and review the operations and

financial results of the Hotel and to set the amount of any future distributions that may be appropriate based on operating results, cash flows and other factors, including establishment of reasonable reserves for debt payments and operating contingencies.

In December 2012, Portsmouth declared a special cash dividend of \$0.25 per common share or \$184,000, which was paid on December 28, 2012 to shareholders of record as of December 21, 2012.

The new Justice Compensation Agreement that became effective on December 1, 2008, when Portsmouth assumed the role of managing general partner of Justice, has provided additional cash flows to the Company. Under the new Compensation Agreement, Portsmouth is now entitled to 80% of the minimum base fee to be paid to the general partners of \$285,000, while under the prior agreement, Portsmouth was entitled to receive only 20% of the minimum base fee. As a result of increases in Hotel gross revenues in fiscal 2013, total general partner fees paid to Portsmouth for the year ended June 30, 2013 increased to \$401,000, compared to \$366,000 for the year ended June 30, 2012.

To meet its substantial financial commitments for the renovation and transition of the Hotel to a Hilton, Justice had to rely on borrowings to meet its obligations. On July 27, 2005, Justice entered into a first mortgage loan with The Prudential Insurance Company of America in a principal amount of \$30,000,000 (the "Prudential Loan"). The term of the Prudential Loan is for 120 months at a fixed interest rate of 5.22% per annum. The Prudential Loan calls for monthly installments of principal and interest in the amount of approximately \$165,000, calculated on a 30-year amortization schedule. The Loan is collateralized by a first deed of trust on the Partnership's Hotel property, including all improvements and personal property thereon and an assignment of all present and future leases and rents. The Prudential Loan is without recourse to the limited and general partners of Justice. The principal balance of the Prudential Loan was \$26,043,000 as of June 30, 2013.

On March 27, 2007, Justice entered into a second mortgage loan with Prudential (the "Second Prudential Loan") in a principal amount of \$19,000,000. The term of the Second Prudential Loan is for 100 months and matures on August 5, 2015, the same date as the first Prudential Loan. The Second Prudential Loan is at a fixed interest rate of 6.42% per annum and calls for monthly installments of principal and interest in the amount of \$119,000, calculated on a 30-year amortization schedule. The Second Prudential Loan is collateralized by a second deed of trust on the Partnership's Hotel property, including all improvements and personal property thereon and an assignment of all present and future leases and rents. The Second Prudential Loan is also without recourse to the limited and general partners of Justice. The principal balance of the Second Prudential Loan was \$17,370,000 as of June 30, 2013.

Effective April 29, 2010, the Partnership obtained a modification of its \$2,500,000 unsecured revolving line of credit facility with East West Bank that was to mature on April 30, 2010, and converted that line of credit facility to an unsecured term loan. The modification provides that Justice will pay the \$2,500,000 balance on its line of credit facility over a period of four years, to mature on April 30, 2014. This term loan calls for monthly principal and interest payments of \$41,000, calculated on a nine-year amortization schedule, with interest only from May 1, 2010 to August 31, 2010. Pursuant to the modification, the annual floating interest rate was reduced by 0.5% to the Wall Street Journal Prime Rate plus 2.5% (with a minimum floor rate of 5.0% per annum). The modification provides for new financial covenants that include specific financial ratios and a return to minimum profitability after June 30, 2011. Management believes that the Partnership has the ability to meet the specific covenants and the Partnership was in compliance with the covenants as of June 30, 2013. As of June 30, 2013, the interest rate was 5.75% and the outstanding balance was \$1,167,000.

Despite an uncertain economy, the Hotel has continued to generate positive cash flows. While the debt service requirements related to the two Prudential loans, as well as the term loan to pay off the line of credit, may create some additional risk for the Company and its ability to generate cash flows in the future, management believes that cash flows from the operations of the Hotel and the garage will continue to be sufficient to meet all of the Partnership's current and future obligations and financial requirements. Management also believes that there is sufficient equity in the Hotel assets to support future borrowings, if necessary, to fund any new capital improvements and other requirements.

The Company has invested in short-term, income-producing instruments and in equity and debt securities when deemed appropriate. The Company's marketable securities are classified as trading with unrealized gains and losses recorded through the consolidated statements of operations.

Management believes that its cash, marketable securities, and the cash flows generated from those assets and from partnership distributions and management fees, will be adequate to meet the Company's current and future obligations.

OFF-BALANCE SHEET ARRANGEMENTS

The Company has no material off balance sheet arrangements.

IMPACT OF INFLATION

Hotel room rates are typically impacted by supply and demand factors, not inflation, since rental of a hotel room is usually for a limited number of nights. Room rates can be, and usually are, adjusted to account for inflationary cost increases. Since Prism has the power and ability under the terms of its management agreement to adjust hotel room rates on an ongoing basis, there should be minimal impact on partnership revenues due to inflation. Partnership revenues are also subject to interest rate risks, which may be influenced by inflation. For the two most recent fiscal years, the impact of inflation on the Company's income is not viewed by management as material.

CRITICAL ACCOUNTING POLICIES

Critical accounting policies are those that are most significant to the portrayal of our financial position and results of operations and require judgments by management in order to make estimates about the effect of matters that are inherently uncertain. The preparation of these financial statements requires us to make estimates and judgments that affect the reported amounts in our consolidated financial statements. We evaluate our estimates on an on-going basis, including those related to the consolidation of our subsidiaries, to our revenues, allowances for bad debts, accruals, asset impairments, other investments, income taxes and commitments and contingencies. We base our estimates on historical experience and on various other assumptions that we believe to be reasonable under the circumstances, the results of which form the basis for making judgments about the carrying values of assets and liabilities. The actual results may differ from these estimates or our estimates may be affected by different assumptions or conditions.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Portsmouth Square, Inc. and its subsidiary as of June 30, 2013 and 2012, and the consolidated results of their operations and their cash flows for each of the years in the two-year period ended June 30, 2013 in conformity with accounting principles generally accepted in the United States of America.

PORTSMOUTH SQUARE, INC.
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES

Description of Business

Portsmouth's primary business is conducted through its general and limited partnership interest in Justice Investors, a California limited partnership ("Justice" or the "Partnership"). Portsmouth has a 50.0% limited partnership interest in Justice and serves as one of the two general partners. The other general partner, Evon Corporation ("Evon"), served as the managing general partner until December 1, 2008 at which time Portsmouth assumed the role of managing general partner. The financial statements of Justice are consolidated with those of the Company.

As of June 30, 2013, Santa Fe Financial Corporation ("Santa Fe"), a public company, owns approximately 68.8% of the outstanding common shares of Portsmouth Square, Inc. ("Portsmouth" or the "Company"). Santa Fe is an 80.5%-owned subsidiary of The InterGroup Corporation ("InterGroup"), a public company. InterGroup also directly owns approximately 12.9% of the common stock of Portsmouth.

Justice owns a 543-room hotel property located at 750 Kearny Street, San Francisco California, known as the *Hilton San Francisco Financial District* (the Hotel) and related facilities including a five level underground parking garage. The Hotel is operated by the partnership as a full service Hilton brand hotel pursuant to a Franchise License Agreement with Hilton Hotels Corporation. Justice also has a Management Agreement with Prism Hospitality L.P. (Prism) to perform the day-to-day management functions of the Hotel. The parking garage that is part of the Hotel property is managed by Ace Parking pursuant to a contract with the Partnership. Justice also leases a portion of the lobby level of the Hotel to a day spa operator.

Due to the temporary closing of the Hotel to undergo major renovations from May 2005 until January 2006 to transition and reposition the Hotel from a Holiday Inn to a Hilton, and the substantial depreciation and amortization expenses resulting from the renovations and operating losses incurred as the Hotel ramped up operations after reopening, Justice has recorded net losses. These losses were anticipated and planned for as part of the Partnership's renovation and repositioning plan for Hotel and management considers those net losses to be temporary. The Hotel has been generating positive cash flows from operations since June 2006. For the fiscal years ended June 30, 2013 and 2012, the Partnership generated net income of \$3,061,000 and \$4,110,000, respectively. Hotel operations improved significantly during the last two fiscal years and depreciation and amortization expenses decreased as many of the furniture and fixture improvements from the renovation of the Hotel reached full deprecation during the fiscal 2011.

Management believes that the revenues expected to be generated from the operations of the hotel, garage and leases will be sufficient to meet all of the Partnership's current and future obligations and financial requirements. Management also believes that there is significant value in the Hotel to support additional borrowings, if necessary.

In December 2012, Portsmouth declared a special cash dividend of \$0.25 per common share or \$184,000, which was paid on December 28, 2012 to shareholders of record as of December 21, 2012.

Principles of Consolidation

The consolidated financial statements include the accounts of the Company and Justice Investors. All significant inter-company transactions and balances have been eliminated.

Investment in Hotel, Net

The Hotel property and equipment are stated at cost less accumulated depreciation. Building improvements are being depreciated on a straight-line basis over their useful lives ranging from 3 to 39 years. Furniture, fixtures, and equipment are being depreciated on a straight-line basis over their useful lives ranging from 3 to 7 years.

Repairs and maintenance are charged to expense as incurred. Costs of significant renewals and improvements are capitalized and depreciated over the shorter of its remaining estimated useful life or life of the asset. The cost of assets sold or retired and the related accumulated depreciation are removed from the accounts; any resulting gain or loss is included in other income (expenses).

The Company reviews property and equipment for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. If the carrying amount of the asset, including any intangible assets associated with that asset, exceeds its estimated undiscounted net cash flow, before interest, the Partnership will recognize an impairment loss equal to the difference between its carrying amount and its estimated fair value. If impairment is recognized, the reduced carrying amount of the asset will be accounted for as its new cost. For a depreciable asset, the new cost will be depreciated over the asset's remaining useful life. Generally, fair values are estimated using discounted cash flow, replacement cost or market comparison analyses. The process of evaluating for impairment requires estimates as to future events and conditions, which are subject to varying market and economic factors. Therefore, it is reasonably possible that a change in estimate resulting from judgments as to future events could occur which would affect the recorded amounts of the property. No impairment losses were recorded for the years ended June 30, 2013 and 2012.

Investment in Marketable Securities

Marketable securities are stated at fair value as determined by the most recently traded price of each security at the balance sheet date. Marketable securities are classified as trading securities with all unrealized gains and losses on the Company's investment portfolio recorded through the consolidated statements of operations.

Other Investments, Net

Other investments include non-marketable securities (carried at cost, net of any impairments loss), non –marketable warrants (carried at fair value) and certain convertible preferred securities, received in exchange for debt instruments, carried at a book basis, initially determined using the estimated fair value on the exchange date. The Company has no significant influence or control over the entities that issue these investments. These investments are reviewed on a periodic basis for other-than-temporary impairment. The Company reviews several factors to determine whether a loss is other-than-temporary. These factors include but are not limited to: (i) the length of time an investment is in an unrealized loss position, (ii) the extent to which fair value is less than cost, (iii) the financial condition and near term prospects of the issuer and (iv) our ability to hold the investment for a period of time sufficient to allow for any anticipated recovery in fair value. For the years ended June 30, 2013 and 2012, the Company recorded impairment losses related to other investments of \$35,000 and \$335,000, respectively. As of June 30, 2013 and 2012, the allowance for impairment losses was \$1,679,000 and \$1,644,000, respectively.

Derivative Financial Instruments

The Company has investments in stock warrants that are considered derivative instruments.

Derivative financial instruments, as defined in ASC 815-10-15-83, "Derivatives and Hedging"(pre-Codification SFAS No. 133 Accounting for Derivative Financial Instruments and Hedging Activities), consist of financial instruments or other contracts that contain a notional amount and one or more underlying (e.g. interest rate, security price or other variable), require no initial net investment and permit net settlement. Derivative financial instruments may be free-standing or embedded in other financial instruments. Further, derivative financial instruments are initially, and subsequently, measured at fair value on the Company's consolidated balance sheet with the related unrealized gain or loss recorded in the Company's consolidated statement of operations. The Company used the Black-Scholes option valuation model to estimate the fair value these instruments which requires management to make significant assumptions including trading volatility, estimated terms, and risk free rates. Estimating fair values of derivative financial instruments requires the development of significant and subjective estimates that may, and are likely to, change over the duration of the instrument with related changes in internal and external market factors. In addition, option-based models are highly volatile and sensitive to changes in the trading market price of the underlying common stock, which has a high-historical volatility. Since derivative financial instruments are initially and subsequently carried at fair values, the Company's consolidated statement of operations will reflect the volatility in these estimate and assumption changes.

Cash and Cash Equivalents

Cash equivalents consist of highly liquid investments with an original maturity of three months or less when purchased and are carried at cost, which approximates fair value.

Accounts Receivable - Hotel, Net

Accounts receivable from Hotel customers are carried at cost less an allowance for doubtful accounts that is based on management's assessment of the collectability of accounts receivable. The Company extends unsecured credit to its customers but mitigates the associated credit risk by performing ongoing credit evaluations of its customers. As of June 30, 2013 and 2012, the balance of allowance for doubtful accounts was \$3,000 for each respective year.

Other Assets, Net

Other assets include prepaid insurance, loan fees, franchise fees, license fees and other miscellaneous assets. Loan fees are stated at cost and amortized over the term of the loan using the effective interest method. Franchise fees are stated at cost and amortized over the life of the agreement (15 years). License fees are stated at cost and amortized over 10 years.

Income Taxes

Deferred income taxes are calculated under the liability method. Deferred income tax assets and liabilities are based on differences between the financial statement and tax basis of assets and liabilities at the current enacted tax rates. Changes in deferred income tax assets and liabilities are included as a component of income tax expense. Changes in deferred income tax assets and liabilities attributable to changes in enacted tax rates are charged or credited to income tax expense in the period of enactment. Valuation allowances are established for certain deferred tax assets where realization is not likely.

Assets and liabilities are established for uncertain tax positions taken or positions expected to be taken in income tax returns when such positions are judged to not meet the "more-likely-than-not" threshold based on the technical merits of the positions.

Due to Securities Broker

Various securities brokers have advanced funds to the Company for the purchase of marketable securities under standard margin agreements. These advanced funds are recorded as a liability.

Obligations for Securities Sold

Obligation for securities sold represents the fair market value of shares sold with the promise to deliver that security at some future date and the fair market value of shares underlying the written call options with the obligation to deliver that security when and if the option is exercised. The obligation may be satisfied with current holdings of the same security or by subsequent purchases of that security. Unrealized gains and losses from changes in the obligation are included in the statement of operations.

Accounts Payable and Other Liabilities

Accounts payable and other liabilities include trade payables, advance deposits and other liabilities.

Fair Value of Financial Instruments

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (i.e., the "exit price") in an orderly transaction between market participants at the measurement date. Accounting standards for fair value measurement establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are inputs that market participants would use in pricing the asset or liability

developed based on market data obtained from sources independent of the Company. Unobservable inputs are inputs that reflect the Company's assumptions about the assumptions market participants would use in pricing the asset or liability developed based on the best information available in the circumstances. The hierarchy is broken down into three levels based on the observability of inputs as follows:

Level 1—inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.

Level 2—inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the assets or liability, either directly or indirectly, for substantially the full term of the financial instruments.

Level 3—inputs to the valuation methodology are unobservable and significant to the fair value.

Revenue Recognition

Room revenue is recognized on the date upon which a guest occupies a room and/or utilizes the Hotel's services. Food and beverage revenues are recognized upon delivery. Garage revenue is recognized when a guest uses the garage space. The Company records a liability for payments collected in advance of revenue recognition. This liability is included in Accounts payable and other liabilities.

Advertising Costs

Advertising costs are expensed as incurred. Advertising costs were \$419,000 and \$415,000 for the years ended June 30, 2013 and 2012, respectively.

Basic and Diluted Income per Share

Basic income per share is calculated based upon the weighted average number of common shares outstanding during each fiscal year. As of June 30, 2013 and 2012, the Company did not have any potentially dilutive securities outstanding.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues, and expenses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

Recent Accounting Pronouncements

In June 2011, the FASB issued ASU 2011-05, "Presentation of Comprehensive Income." ASU 2011-05 changes the way other comprehensive income ("OCI") appears within the financial statements. Companies will be required to show net income, OCI and total comprehensive income in one continuous statement or in two separate but consecutive statements. Components of OCI may no longer be presented solely in the statement of changes in shareholders' deficit. ASU 2011-05 was effective for the Company beginning July 1, 2012. For the year ended June 30, 2013 and 2012, the Company had no components of Comprehensive Income other than net income itself.

In September 2011, the FASB issued ASU No. 2011-09, Compensation - Retirement Benefits - Multiemployer Plans (Subtopic 715-80) - Disclosures about an Employer's Participation in a Multiemployer Plan, which requires employers that participate in multiemployer pension plans to provide additional quantitative and qualitative disclosures in order to provide more information about an employer's involvement in multiemployer pension plans. Although the majority of the amendments in this ASU apply only to multiemployer pension plans, there are also amendments that require changes in disclosures for multiemployer plans that provide postretirement benefits other than pensions. The Company adopted this ASU on June 30, 2012. This ASU impacted the Company's disclosures only and did not have any impact on the Company's financial position, results of operations, or cash flows. The disclosures required by this ASU are presented in Note 17 and Note 18 to the financial statements.

NOTE 2 - JUSTICE INVESTORS

On July 14, 2005, the FASB issued Staff Position (FSP) SOP 78-9-1, "Interaction of AICPA Statement of Position 78-9 and EITF Issue No. 04-5" which was codified into ASC Topic 910-810, "Real Estate – General – Consolidation", to amend the guidance in AICPA Statement of Position 78-9, "Accounting for Investments in Real Estate Ventures" (SOP 78-9) to be consistent with the consensus in Emerging Issues Task Force Issue No. 04-5 "Determining Whether a General Partner, or General Partners as a Group, Controls a Limited Partnership or Similar Entity When the Limited Partners Have Certain Rights" which was codified into ASC 810-20, "Consolidation", eliminated the concept of "important rights"(ASC Topic 970-810) and replaces it with the concepts of "kick out rights" and "substantive participating rights". In accordance with guidance set forth in ASC Topic 970-20, Portsmouth has applied the principles of accounting applicable for investments in subsidiaries due to its substantial limited partnership interest and general partnership rights and has consolidated the financial statements of Justice with those of the Company effective as of July 1, 2006. For the years ended June 30, 2013 and 2012, the results of operations for Justice were consolidated with those of the Company.

On December 1, 2008, Portsmouth and Evon, as the two general partners of Justice, entered into a 2008 Amendment to the Limited Partnership Agreement (the "Amendment") that provides for a change in the respective roles of the general partners. Pursuant to the Amendment, Portsmouth assumed the role of Managing General Partner and Evon continued on as the Co-General Partner of Justice. The Amendment was ratified by approximately 98% of the limited partnership interests. The Amendment also provides that future amendments to the Limited Partnership Agreement may be made only upon the consent of the general partners and at least seventy five percent (75%) of the interests of the limited partners. Consent of at least 75% of the interests of the limited partners will also be required to remove a general partner pursuant to the Amendment.

Effective November 30, 2010, the general and limited partners of Justice Investors entered into an Amended and Restated Agreement of Limited Partnership, which was approved and ratified by more than 98% of the limited partnership interests of Justice. The Partnership Agreement was amended and restated in its entirety to comply with the new provisions of the California Corporations Code known as the "Uniform Limited Partnership Act of 2008". The amendment did not result in any material modifications of the rights or obligations of the general and limited partners.

Concurrent with the Amendment to the Limited Partnership Agreement, a new General Partner Compensation Agreement (the "Compensation Agreement") was entered into on December 1, 2008, among Justice, Portsmouth and Evon to terminate and supersede all prior compensation agreement for the general partners of Justice Investors. Pursuant to the Compensation Agreement, the general partners of Justice will be entitled to receive an amount equal to 1.5% of the gross annual revenues of the Partnership (as defined), less \$75,000 to be used as a contribution toward the cost of Justice engaging an asset manager. In no event shall the annual compensation be less than a minimum base of approximately \$285,000, with eighty percent (80%) of that amount being allocated to Portsmouth for its services as managing general partner of Justice and twenty percent (20%) allocated to Evon as the co-general partner. Compensation earned by the general partners in each calendar year in excess of the minimum base, will be payable in equal fifty percent (50%) shares to Portsmouth and Evon.

	<u>\$ 5,160,000</u>	<u>\$ 5,311,000</u>

On October 20, 2010, as part of a debt restructuring of one of its investments, the Company exchanged approximately \$4,410,000 in notes, convertible notes and debt instruments that it held in Comstock Mining, Inc. ("Comstock" – now NYSE MKT: LODE) for 4,410 shares (\$1,000 stated value) of newly created 7 1/2% Series A-1 Convertible Preferred Stock (the "A-1 Preferred") of Comstock. Prior to the exchange, those notes and convertible debt instruments had a carrying value of \$724,000, net of impairment adjustments. The Company accounted for the transaction as an exchange of its debt securities and recorded the new instruments (A-1 Preferred) received based on their fair value. The Company estimated the fair value of the A-1 Preferred at \$1,000 per share, which was the stated value of the instrument, for a total of \$4,410,000. The fair value of the A-1 Preferred had a similar value to the Series B preferred stock financing (stated value of \$1,000 per share) by which Comstock concurrently raised \$35.7 million in new capital from other investors in October 2010. The Company recorded an unrealized gain during fiscal year 2011 of \$3,686,000 related to the preferred stock received in exchange for debt as part of the debt restructuring.

As part of that transaction, the Company's parent companies, Santa Fe and InterGroup Corporation, also exchanged approximately \$2,249,000 and \$6,572,000 in notes, convertible notes and debt instruments for 2,249 and 6,572 shares of A-1 Preferred, respectively. The Company's Chairman and President also exchanged approximately \$7,681,000 in notes and convertible notes held personally by him for 7,681 shares of A-1 Preferred. Together, the Company, Santa Fe, InterGroup and Mr. Winfield constitute all of the holders of the A-1 Preferred.

Each share of A-1 Preferred has a stated value of \$1,000 per share and a liquidation and change of control preference equal to the stated value plus accrued and unpaid dividends. Commencing January 1, 2011, the holders are entitled to semi-annual dividends at a rate of 7.5% per annum, payable in cash, common stock, preferred stock or any combination of the foregoing, at the election of Comstock. At the holder's election, each share of A-1 Preferred is convertible at a fixed conversion rate (subject to anti-dilution) into 1,536 shares of common stock of Comstock, therefore converting into common stock at a conversion price of \$0.6510. Each share of A-1 Preferred will entitle the holder to vote with the holders of common stock as a single class on all matters submitted to the vote of the common stock (on an as converted basis) and, for purposes of voting only, each share of A-1 Preferred shall be entitled to five times the number of votes per common share to which it would otherwise be entitled. Each share of A-1 Preferred shall entitle its holder to one (1) vote in any matter submitted to vote of holders of Preferred Stock, voting as a separate class. The A-1 Preferred, in conjunction with the other series of newly created Preferred Stock of Comstock, also has certain rights requiring consent of the Preferred Stock holders for Comstock to take certain corporate and business actions. The holders will have registration rights with respect to the shares of common stock underlying the A-1 Preferred and also preemptive rights. The foregoing description of the A-1 Preferred and the specific terms of the A-1 Preferred is qualified in its entirety by reference to the provisions of the Series A Securities Purchase Agreement, the Certificate of Designation of Preferences and Rights and Limitations of 7 1/2% Series A-1 Convertible Preferred Stock and the Registration Rights Agreement for the Series A Preferred Stock, which were filed as exhibits to the Company's Current Report on Form 8-K, dated October 20, 2010.

As of June 30, 2013 and 2012, the Company had investments in corporate debt and equity instruments which had attached warrants that were considered derivative instruments. These warrants have an allocated cost basis of \$165,000 as of June 30, 2013 and 2012 and a fair market value of \$3,000 and \$119,000 as of June 30, 2013 and 2012, respectively. During the years ended June 30, 2013 and 2012, the Company had an unrealized loss of \$116,000 and \$187,000, respectively, related to these warrants.

NOTE 7 - FAIR VALUE MEASUREMENTS

The carrying values of the Company's financial instruments not required to be carried at fair value on a recurring basis approximate fair value due to their short maturities (i.e., accounts receivable, other assets, accounts payable and other liabilities, due to securities broker and obligations for securities sold) or the nature and terms of the obligation (i.e., other notes payable and mortgage notes payable).

The assets measured at fair value on a recurring basis are as follows:

As of June 30, 2013

Assets:	Level 1	Level 2	Level 3	Total
Cash equivalents - money market	\$ 3,000	\$ -	\$ -	\$ 3,000

	<u>\$ 2,686,000</u>	<u>\$ -</u>	<u>\$ 119,000</u>	<u>\$ 2,805,000</u>

The fair values of investments in marketable securities are determined by the most recently traded price of each security at the balance sheet date. The fair value of the warrants was determined based upon a Black-Scholes option valuation model.

Financial assets that are measured at fair value on a non-recurring basis and are not included in the tables above include "Other investments in non-marketable securities," that were initially measured at cost and have been written down to fair value as a result of impairment or adjusted to record the fair value of new instruments received (i.e., preferred shares) in exchange for old instruments (i.e., debt instruments). The following table shows the fair value hierarchy for these assets measured at fair value on a non-recurring basis as follows:

Assets	Level 1	Level 2	Level 3	June 30, 2013	Net loss for the year ended June 30, 2013
Other non-marketable investments	\$ -	\$ -	\$ 5,157,000	\$ 5,157,000	\$ (35,000)
Assets	Level 1	Level 2	Level 3	June 30, 2012	Net loss for the year ended June 30, 2012
Other non-marketable investments	\$ -	\$ -	\$ 5,192,000	\$ 5,192,000	\$ (335,000)

Other investments in non-marketable securities are carried at cost net of any impairment loss. The Company has no significant influence or control over the entities that issue these investments. These investments are reviewed on a periodic basis for other-than-temporary impairment. When determining the fair value of these investments on a non-recurring basis, the Company uses valuation techniques such as the market approach and the unobservable inputs include factors such as conversion ratios and the stock price of the underlying convertible instruments. The Company reviews several factors to determine whether a loss is other-than-temporary. These factors include but are not limited to: (i) the length of time an investment is in an unrealized loss position, (ii) the extent to which fair value is less than

cost, (iii) the financial condition and near term prospects of the issuer and (iv) our ability to hold the investment for a period of time sufficient to allow for any anticipated recovery in fair value.

NOTE 9 – OTHER NOTES PAYABLE

The Partnership had a \$2,500,000 unsecured revolving line of credit facility with a bank that was to mature on April 30, 2010. Effective April 29, 2010, the Partnership obtained a modification from the bank which converted its revolving line of credit facility to a term loan.

The modification provides that Justice will pay the \$2,500,000 balance on its line of credit facility over a period of four years, to mature on April 30, 2014. This term loan calls for monthly principal and interest payments, calculated on a six-year amortization schedule, with interest only from May 1, 2010 to August 31, 2010. Pursuant to the modification, the annual floating interest rate was reduced by 0.5% to the WSJ Prime Rate plus 2.5% (with a minimum floor rate of 5.0% per annum). The modification provides for new financial covenants that include specific financial ratios and a return to minimum profitability after June 30, 2011. Management believes that the partnership has the ability to meet the specific covenants. The Partnership was in compliance with the covenants as of June 30, 2013 and 2012. The loan continues as unsecured. The Partnership made additional principal payments totaling \$124,000 in fiscal year 2012. The outstanding balance was \$1,167,000 and \$1,702,000 as of June 30, 2013 and 2012 respectively; the interest rate was 5.75% as of June 30, 2013.

The Partnership has short-term financing agreements with a financial institution for the payment of its general, property, and workers' compensation insurance. The notes payable under these financing agreements bear interest at 4% per annum and payable in equal monthly installments (principal and interest) through July 2013. The notes payable at June 30, 2013 and 2012, were \$71,000 and \$61,000, respectively.

As of June 30, 2013 and 2012, the Company had other notes payable and capital lease obligations outstanding of \$429,000 and \$309,000, respectively, which were included in Other Notes Payable.

During the year, Justice entered into a financing agreement with Ace Parking Management, Inc. to purchase equipment. The note bears 11.5% interest and is payable in equal monthly installments (principal and interest) through April 2018. As of June 30, 2013, the note payable balance was \$219,000.

NOTE 10 – MORTGAGE NOTES PAYABLE

Each mortgage note payable is secured by its respective land and building. As of June 30, 2013 and 2012, the Company had the following mortgages:

<u>June 30, 2013</u>	<u>June 30, 2012</u>	<u>Interest Rate</u>	<u>Origination Date</u>	<u>Maturity Date</u>
\$ 26,043,000	\$ 26,599,000	Fixed 5.22%	July 27, 2005	August 5, 2015

<u>\$ 43,413,000</u>	<u>\$ 44,321,000</u>			

On July 27, 2005, Justice entered into a first mortgage loan with The Prudential Insurance Company of America in a principal amount of \$30,000,000 (the “Prudential Loan”). The term of the Prudential Loan is for 120 months at a fixed interest rate of 5.22% per annum. The Prudential Loan calls for monthly installments of principal and interest in the amount of approximately \$165,000, calculated on a 30-year amortization schedule. The Loan is collateralized by a first deed of trust on the Partnership’s Hotel property, including all improvements and personal property thereon and an assignment of all present and future leases and rents. The Prudential Loan is without recourse to the limited and general partners of Justice.

In March 2007, Justice entered into a second mortgage loan with The Prudential Insurance Company of America (the “Second Prudential Loan”) in a principal amount of \$19,000,000. The term of the Second Prudential Loan is for approximately 100 months and matures on August 5, 2015, the same date as the Partnership’s first mortgage loan with Prudential. The Second Prudential Loan is at a fixed interest rate of 6.42% per annum and calls for monthly installments of principal and interest in the amount of approximately \$119,000, calculated on a 30-year amortization schedule. The Loan is collateralized by a second deed of trust on the Partnership’s Hotel property, including all improvements and personal property thereon and an assignment of all present and future leases and rents. The Loan is without recourse to the limited and general partners of Justice.

Future minimum payments for all notes payable are as follows:

NOTE 11 – GARAGE OPERATIONS

The parking garage is operated by Ace Parking Management, Inc. (“Ace Parking”) for the Partnership pursuant to a Parking Facilities Management Agreement (the “Parking Agreement”). The initial term of the Parking Agreement was to expire on October 31, 2010, with an option to renew for another five-year term. Garage revenue is included as part of hotel revenue. For the year ended June 30, 2013 and 2012, garage revenue was \$2,786,000 and \$2,765,000, respectively

On October 31, 2010, the Partnership and Ace Parking entered into an amendment of the Parking Agreement to extend the term for a period of sixty two (62) months, commencing on November 1, 2010 and terminating December 31, 2015, subject to either party’s right to terminate the agreement without cause on ninety (90) days written notice. The monthly management fee of \$2,000 and the accounting fee of \$250 remain the same, but the amendment modified how the Excess Profit Fee to be paid to Ace Parking would be calculated.

The amendment provides that, if net operating income (NOI) from the garage operations exceeds \$1,800,000 but is less than \$2,000,000, then Ace Parking will be entitled to an Excess Profit Fee of one percent (1%) of the total annual NOI. If the annual NOI is \$2,000,000 or higher, Ace Parking will be entitled to an Excess Profit Fee equal to two percent (2%) of the total annual NOI. The garage’s NOI exceeded the annual NOI of \$2,000,000 for the years ended June 30, 2013 and 2012.

Base Management and incentive fees to Ace Parking amounted to \$44,000 and \$52,000 during the years ended June 30, 2013 and 2012 .

NOTE 12 – MANAGEMENT AGREEMENT

On February 2, 2007, the Partnership entered into an agreement with Prism to manage and operate the Hotel as its agent. The agreement is effective for a term of ten years, unless the agreement is extended or earlier terminated as provided in the agreement. Under the management agreement, the Partnership is required to pay the base management fees of up to 2.5% of gross operating revenues of the Hotel (i.e., room, food and beverage, and other operating departments) for the fiscal year. Of that amount, 1.75% of the gross operating revenues are paid monthly. The balance or 0.75% is paid only to the extent that the partially adjusted net operating income (net operating income less capital expenditures) for the fiscal year exceeds the amount of the Hotel's return for the fiscal year. The base management fee was limited to 1.75% as of and for the years ended June 30, 2013 and 2012. Prism is also entitled to an incentive management fee (not to exceed 4% in total) if certain milestones are accomplished. No incentive fees were paid during the years ended June 30, 2013 and 2012. Management fees paid to Prism during the years ended June 30, 2013 and 2012 were \$754,000 and \$626,000, respectively.

These two operating segments, as presented in the consolidated financial statements, reflect how management internally reviews each segment's performance. Management also makes operational and strategic decisions based on this same information.

Information below represents reporting segments for the year ended June 30, 2013 and 2012, respectively. NOTE 16 - RELATED PARTY TRANSACTIONS

In December 2012, Justice declared a limited partnership distribution in the amount of \$1,200,000, of which Portsmouth received \$600,000. In December 2011, Justice declared a limited partnership distribution in the aggregate amount of \$1,000,000, of which Portsmouth received \$500,000. Both of the amounts received by Portsmouth were eliminated in consolidation.

During the year ended June 30, 2013 and 2012, the Company received management fees from Justice Investors totaling \$401,000 and \$366,000, respectively. These amounts were eliminated in consolidation.

Certain shared costs and expenses, primarily administrative expenses, rent and insurance are allocated among the Company and InterGroup based on management's estimate of the pro rata utilization of resources. For the years ended June 30, 2013 and 2012, these expenses were approximately \$72,000 for each respective year.

Four of the Company's Directors serve as directors of InterGroup and three of the Company's Directors serve on the Board of Santa Fe.

As Chairman of the Securities Investment Committee, the Company's President and Chief Executive Officer (CEO), John V. Winfield, directs the investment activity of the Company in public and private markets pursuant to authority granted by the Board of Directors. Mr. Winfield also serves as Chief Executive Officer and Chairman of Santa Fe and InterGroup and oversees the investment activity of those companies. Depending on certain market conditions and various risk factors, the Chief Executive Officer, his family, Santa Fe and InterGroup may, at times, invest in the same companies in which the Company invests. The Company encourages such investments because it places personal resources of the Chief Executive Officer and his family members, and the resources of Santa Fe and InterGroup, at risk in connection with investment decisions made on behalf of the Company.

In fiscal year ended June 30, 2004, the disinterested members of the Board of Directors established a performance based compensation program for the Company's CEO to keep and retain his services as a direct and active manager of

the Company's securities portfolio. Pursuant to the current criteria established by the Board, Mr. Winfield is entitled to performance based compensation for his management of the Company's securities portfolio equal to 20% of all net investment gains generated in excess of an annual return equal to the Prime Rate of Interest (as published in the Wall Street Journal) plus 2%. Compensation amounts are calculated and paid quarterly based on the results of the Company's investment portfolio for that quarter. Should the Company have a net investment loss during any quarter, Mr. Winfield would not be entitled to any further performance-based compensation until any such investment losses are recouped by the Company. This performance based compensation program may be further modified or terminated at the discretion of the Board of Directors. The Company's CEO did not earn any performance based compensation for the years ended June 30, 2013 and 2012.

NOTE 17 – COMMITMENTS AND CONTINGENCIES

Administrative Fees—General Partners

During each of the years ended June 30, 2013 and 2012, the general partners of Justice were paid a total of \$620,000 and \$562,000, respectively. The total amount paid represents the minimum base compensation of \$285,000 each year plus \$335,000 and \$277,000 respectively, based upon the agreement.

Franchise Agreements

The Partnership entered into a Franchise License agreement (the License agreement) with the Hilton Hotels Corporation (Hilton) on December 10, 2004. The term of the License agreement is for a period of 15 years commencing on the opening date, with an option to extend the license agreement for another five years, subject to certain conditions.

Beginning on the opening date in January 2006, the Partnership paid monthly royalty fees for the first two years of three percent (3%) of the Hotel's gross room revenue for the preceding calendar month; the third year was at four percent (4%) of the Hotel's gross room revenue; and the fourth year until the end of the term will be five percent (5%) of the Hotel's gross room revenue. The Partnership also pays a monthly program fee of four percent (4%) of the Hotel's gross revenue. The amount of the monthly program fee is subject to change; however, the increase cannot exceed one percent (1%) of the Hotel gross room revenue in any calendar year, and the cumulative increases in the monthly fees will not exceed five percent (5%) of gross room revenue. Franchise fees for the years ended June 30, 2013 and 2012 were \$3,374,000 and \$3,008,000, respectively.

The Partnership also pays Hilton a monthly information technology recapture charge of 0.75% of the Hotel's gross revenues. Due to the difficult economic environment, Hilton agreed to reduce its information technology fees to 0.65%. For the years ended June 30, 2013 and 2012, those charges were \$236,000 and \$214,000, respectively.

Employees

As of June 30, 2013, Portsmouth had three full-time employees. The employees of the Company are not part of any collective bargaining agreement, and the Company believes that its employee relations are satisfactory.

As of June 30, 2013, the Partnership had approximately 244 employees. Approximately 80% of those employees were represented by one of three labor unions, and their terms of employment were determined under a collective bargaining agreement (CBA) to which the Partnership was a party. During the year ended June 30, 2013, the Partnership continued under an existing CBA for the Local 2 (Hotel and Restaurant Employees). As of June 30, 2013, the CBA for Local 856 (International Brotherhood of Teamsters) has expired and is currently under renegotiation. Negotiation of collective bargaining agreements, which includes not just terms and conditions of employment but scope and coverage of employees, is a regular and expected course of business operations for the Partnership.

The Partnership expects and anticipates that the terms of conditions of CBAs will have an impact on wage and benefit costs, operating expenses, and certain hotel operations during the life of the each CBA, and incorporates these principles into its operating and budgetary practices.

Legal Matters

In August 2012, two current and four former employees of the Hotel commenced a putative wage and hour class action against the Partnership. The Complaint alleged that the Partnership failed to provide compliant meal periods, failed to authorize and permit compliant rest periods, failed to pay all regular and overtime wages due, failed to provide accurate itemized wage statements, and failed to pay all wages owed upon termination of employment.

In February 2013, the Partnership agreed to settle the class action lawsuit for \$525,000. The amount was accrued as of June 30, 2013 and is included as part of "Accounts payable and accrued liabilities" in the Balance Sheets. Prism Hotels L.P. agreed to reimburse the Partnership for 50% of the total amount of the settlement and pay up to \$300,000 of legal fees and defense costs incurred in defense of the lawsuit. During fiscal 2013, the Company incurred legal costs of \$365,000 associated with the lawsuit, of which Prism agreed to pay \$300,000 in accordance with the agreement. The amount due to Prism at June 30, 2013 for the management fee was applied against the receivable for the reimbursement of the settlement and legal costs. The Partnership insurance carrier awarded \$225,000 in insurance proceeds as a result of a claim related to the settlement. Of the total proceeds, 50% or \$112,500 was allocated to the Partnership and the remaining amount was allocated to Prism. The insurance reimbursement awarded to the Partnership was offset against the related legal expense.

The Partnership is involved from time to time in various claims in the ordinary course of business. Management does not believe that the impact of such matters will have a material effect on the financial conditions or result of operations when resolved.
